## What We Offer

The attorneys and staff at Fazzone Ryan & Ricciuti, LLC are committed to providing high quality and progressive legal services while maintaining the personal attention not often found today. With this in mind, we offer:

- Creative problem solving by people who understand the problems and concerns of clients and have the experience to resolve them;
- Accessibility to attorneys and prompt responses to all client calls and inquiries;
- Information and communication to our clients throughout the handling of their matters to educate them in the process and keep them informed;

- Affordable legal fees, discussed in advance and disclosed in writing. Thereafter, itemized bills are rendered as agreed;
- A team based approach to the delivery of legal services. Each file is overseen by the attorney practicing in that particular area. That attorney coordinates the efforts of other attorneys and staff to provide efficient and cost effective results for the client;
- Computers and up-to-date communication equipment providing state of the art automation to the law office in the areas of legal research, court file access and document preparation.
